- 1) Solicitation Provision Y, Evaluation Personnel is deleted and replaced by the following:

Y. Evaluation Personnel (AUG 1999)

Applications will be evaluated in accordance with the criteria set forth in Section VII of the solicitation. In conducting this evaluation, the Government may utilize, in accordance with the requirements of 10 CFR Part 600, assistance and advice from qualified personnel from other Federal Agencies, DOE Contractors, universities and industry. Applicants shall indicate in Volume I if they do not wish to have their applications evaluated by nonfederal personnel. Applicants are further advised that DOE may be unable to consider an application withholding such consent.

When using personnel from other Federal agencies, DOE contractors, or other consultants to DOE in the evaluation of applications, DOE will obtain assurances from all evaluators that DOE's commitments are met relating to the proprietary nature of any application information.

- 2) As a further clarification to A1 in the Question and Answer section of the cover letter to this solicitation, the phrase “substantially from fossil fuels” is to be interpreted as requiring that applications submitted are to be for processes (fuels or additives) that use at least a 51% fossil fuel feedstock.
- 3) As a clarification to Section VI, Attachment A, Program Areas of Interest, advice is provided that Ultra-clean liquid fuels for reformer/mobile fuel cell-powered vehicles are not excluded from consideration under either Topic 1 or Topic 2.
- 4) The NETL Homepage address located in Section III, Article C.1, Business and Financial Application Preparation Instructions is incorrect. The correct address is <http://www.netl.doe.gov/business/forms/forms.html>. All forms needed for preparation of Volume I are found on the NETL Homepage at this address.
